PROFILE

Video and podcast editor working in DaVinci Resolve and Audacity. Nearly two years editing a weekly Arabic history & law podcast end-to-end – cutting, noise reduction, leveling and assembly – with 960+ plays on Spotify. I also cut short-form vertical video, longer montages and the thumbnails that go with them, delivering up to 4K 60fps with a standard 48-hour turnaround.

EXPERIENCE

Podcast Editor – From The Past Podcast

Arabic history & law podcast · Mar 2024 – Feb 2026

- Edited weekly episodes end-to-end in Audacity (FLAC workflow): cutting, noise reduction, leveling and final assembly.
- Show concluded in Feb 2026; episodes are still on Spotify – 960+ plays and 38 followers.

Video Editor & Montage – personal and channel work

DaVinci Resolve · 2024 – Present

- Cut a 7:30 montage from 50+ clips across two video tracks with layered audio; delivered H.264 at 4K 60fps.
- Edit short-form vertical video (hook, captions, on-screen graphics) for a podcast channel – 9 pieces, 3,000+ views in the channel's first month.

Freelance Digital Services – self-employed, remote

Freelancer.com · Upwork · Mostaq1 · Guru · Hubstaff Talent · 2023 – Present

- Deliver video editing, podcast audio and thumbnail design for clients; all work standardised to a 48-hour turnaround.
